

# Domaine de Vigier, Ma Syrah, Coteaux de l'Ardèche, 2019

Ref: 00114/FR

## About the producer

Domaine de Vigier is nestled between the Cevennes and the Rhône Valley in the south of the Ardèche department. Le Domaine de Vigier is one of the oldest wineries in Ardèche. In spirit, part of the Côtes du Rhone wines category, but with a definitively local twist. Purchased in the 1970's by Francis and Jacqueline Dupré Domaine de Vigier is now in the careful hands of their children: Stéphane tends to the vines and olive trees; Grégory is the cellar master and Marjorie controls accounting, HR & communication. Nowadays, Le Domaine de Vigier is around 60 hectares, with the whole winery in conversion to organic production.

## Wine growing / wine making

Clay-limestone soil, on terraces of river pebbles with strong sunshine exposure and sheltered from the weather by hills of evergreen oaks in the valley of Ibie. Syrah of around 20 years of age, for which the yield doesn't exceed 50 hectoliters/hectare. Vinified the traditional way: destemming, racking and vatting for 10 days.

## Tasting notes

Fruity nose of cassis and a slightly spicy undertone. On the palate a light pepper note with a hint of young forest fruits and good balance between acidity and soft tannins.

## Food pairing

Lamb with garlic, thyme & herbes de Provence, stuffed red peppers & tomatoes, venison, duck, black olive & beef stew, highly seasoned pork sausages.
